ASHLEY SELLERS,
Assistant War Food Administrator.

War Food Administration,
Summary to WFO 85 Termination.

The War Food Administration has ter-
minated War Food Order 85 effective
12:01 a. m., E.W.T., June 27, 1944. The
Order was placed in effect October 15,
1943 and gave the WFA's Director of Dis-

tribution authority to restrict shipments
of white grapefruit grown in Cameron,
Hidalgo, or Willacy Counties, Texas, in
order that adequate supplies might be
made available for processing purposes
should such restrictions become neces-
sary.

War Food Administration officials
stated that Texas grapefruit production
was large enough to meet essential re-
quirements of both fresh and processing
markets and, since the grapefruit sea-
son is over, it is no longer necessary to
keep WFO 85 in effect.
